POSITION AVAILABLE

ASSISTANT DIRECTOR FOR ENVIRONMENTAL HEALTH SERVICES

SUMMARY OF POSITION: The Assistant Director for Environmental Health Services assists the Director of Health in the enforcement of the Public Health Code, Connecticut General Statutes, and local health ordinances and provides direct supervision to the Environmental Health staff. The position is directly responsible to the Director of Health. The Assistant Director conducts complex investigations, surveys, and inspections, proposes regulations and performs management duties to facilitate environmental activities within the jurisdiction of the Naugatuck Valley Health District.

REQUIREMENTS: Bachelors of Science degree from a recognized college or university with major course work in environmental health or public health; the physical, chemical or biological sciences; or sanitary or environmental engineering; and a minimum of three years' experience, at least two of which should have been in a responsible supervisory position in this or a related field. A Master's Degree not required but highly preferred. Candidate must possess Food Service Inspection, Subsurface Sewage Inspection Phase I and II, and Registered Sanitarian certifications from the State of Connecticut, a valid Connecticut Driver's License and be able to successfully complete a complex background investigation. A REHS certification is acceptable in place of a Registered Sanitarian certification.

SALARY AND FRINGE BENEFITS: Competitive salary is commensurate with experience. Benefits include medical, dental, short-term disability, group life insurance, paid vacation, sick pay, paid holidays and retirement plan, each in accordance with District personnel policies.

TO APPLY: More information on the District and a full job description is available at www.nvhd.org. To apply send resume, cover letter and a minimum of three work related references to jobs@nvhd.org. All responses are confidential and must be received by 5:00 PM April 12, 2018.
